PROJECT QUOTATION :

Project Name :- (WashUpPlus – Complete Service Provider Platform)
(Customer App + Service Partner App + Admin CRM + Business Website)

Project Overview :

PR WEBSTOCK OPC PVT. LTD. is pleased to present this proposal for developing a complete digital platform for **WashUpPlus**, a professional service provider company.

The platform will consist of a modern multi-page website, customer mobile application & WebPlatform , service partner application & WebPlatform , and a powerful CRM/Admin Panel to manage all operations efficiently.

The complete solution will be developed using the **MERN Stack** with secure payment integration, Google Maps, real-time notifications, booking management, customer reviews, and advanced reporting.
